Dear Parents /Guardians,

## END OF SECOND TERM NEWSLETTER FOR 2023/2024 ACADEMIC SESSION

This is to appreciate God for bringing us towards the end of the term.

We sincerely appreciate all our esteemed parents and guardians for keeping faith in us and entrusting your children with us. We will never relent in making sure that the best comes out of our beloved children.

We appreciate all parents and guardians who called our attention to one observation or the other during the term.

### CHANGES TO DISCOUNT POLICY

Due to the ongoing increase in prices of goods and services in the market, the school has been facing challenges in sustaining our discount policy. After careful consideration and evaluation of our financial situation, we regret to inform you that we will be making changes to the discount policy effective from the next term.

Starting from the upcoming term, parents with two or more children enrolled in our school will continue to enjoy the discount, but with a slight adjustment. To avail the discount, the school fees must be paid either before the resumption date or within two weeks of resumption. Any parent who pays after the two-week period will be required to pay the full school fee without the discount.

We understand that this change may inconvenience some families, and we sincerely apologize for any inconvenience caused. However, this decision was made after careful consideration of the school's financial sustainability in the current economic climate.

We appreciate your understanding and cooperation in this matter.

### NEW REQUIREMENT FOR END TERM ASSESSMENT REPORT

In accordance with our tradition and to ensure the smooth running of our nursery and primary sections, we have introduced a new requirement for all pupils.

Beginning from the upcoming end term assessment, each pupil is expected to bring four rolls of tissue papers and a tablet of soap/Dettol on resumption. This requirement aims to ensure that our school environment remains clean and conducive for learning.

Due to the low turnout of these essential items in the past, we have decided to incorporate this into each pupil's end term assessment report under the category "CRAFT," which will carry 100 marks. This initiative not only reinforces our tradition but also encourages responsibility and participation from all our pupils.

We kindly request your cooperation and support in ensuring that your child comes prepared with the necessary items as specified above. Your assistance in this matter is highly appreciated and will contribute to the overall well-being of our school community.

### BECE (Basic Education Certificate Examination)

The registration of the above-mentioned examination is ongoing. Parents of JSS 3 students who are yet to pay the exam fee are reminded that late registration attracts an extra fee.

### RESUMPTION

The third term of the 2023/2024 academic session will resume on Monday, 22nd April 2024.

### CONCLUSION

The entire management, staff, and students of Titan Academy wish our dear parents/guardians abundant blessings and a pleasant Easter/Ramadan/Eid Fitr Season.

Warm regards,

Titan Academy, Lugbe
